## Preface

### **Abstract**

The University of Pennsylvania Working Papers in Linguistics (PWPL) is an occasional series published by the Penn Linguistics Club, the graduate student organization of the Linguistics Department of the University of Pennsylvania. The series has included volumes of previously unpublished work, or work in progress, by linguists with an ongoing affiliation with the Department, as well as volumes of papers from the NWAV conference and the Penn Linguistics Colloquium. This volume contains selected papers from NWAV 34, held from October 20--23, 2005, at New York University. Thank you to Lukasz Abramowicz, Aaron Dinkin, Keelan Evanini, Giang Nguyen, Tatjana Scheffler, and Suzanne Evans Wagner, for their help in editing this volume.
